

# NORTH STAR JUNIOR SAILING

**DON'T LET YOUR KIDS MISS OUT ON  
THE SUMMER ACTIVITY OF A LIFETIME**

**Our youth programs offer families a supervised and fun summer experience for kids. Not only is sailing a life-long sport and leisure time activity, it is a continual lesson in applied math, physics, and ecology. This unique summer sailing camp program for children ages 8 to 18 is taught by US Sailing Certified Instructors. North Star Junior Sailing programs are open to everyone and club membership is not required. All are welcome to join in the summer fun!**
